

Chan Ki Lung from 5 Mark

President of the 31st Student Union Cabinet “INNOVATOR”

Good afternoon Sister Lucy, principal, teachers, and fellow schoolmates,

I am James Chan from 5 Mark. Today, I am standing here, as the president of the student union, Innovator. I would like to express my gratitude to our Principal, Ms Mok, our advisors, Mr Chan and Ms Ku, for giving us a lot of useful opinions and reminders during preparation.

Moreover, I would like to thank our supporters for showing their support during the election.

I can confidently tell you that, me, James Chan, the president of this year Student Union Innovator, is ready to serve the school together with our 9 teammates and to fulfill our promises that we have made.

Six months ago, I was just an ordinary student, thinking that nobody would recognize me until my graduation. But with the assistance of the 30th student Union Nova members, I am standing here to represent every one of you. I would like to show my deepest gratitude to Nova and now is the time for us to start a new chapter.

Now, we would like to make my commitment here. We would show you our responsibility with diligence and innovation in the following days, we would realize our plan to organise the activities like “Time Chaser” and the Chess Competition. Everyone has a dream. I have a dream. My dream is to be able to serve our schoolmates. We will definitely accomplish all our dreams.

Last but not the least, please follow our Instagram, Innovator_IHMC. Stay tuned for the updates. We are INNOVATOR. We Serve with vigor. Thank You.
