

Tso Kam To from 5 Matthew

Head Prefect of the Disciplinary Team (2020-2021)

Good afternoon Sister Lucy, Principal, teachers and fellow schoolmates. I am Tso Kam To from 5 Matthew, the Head Prefect of the Disciplinary Team.

First of all, it is our honor to become members of the Disciplinary Team to serve the school and our fellow schoolmates this year. May I take this opportunity to thank the disciplinary prefects from last year for their great kindness and effort in supporting and leading our teammates.

The Disciplinary Team plays an important role in maintaining good learning environment and making your school life safe, respectful and enjoyable by setting positive examples and values. We are committed to embodying the expectations of our school and shouldering our responsibilities with love and care.

This year, the theme of our school's 40th anniversary is 'Embracing God's Grace, Embedded Hearts in Sha Tin'. Being a disciplinary prefect is a valuable opportunity given by God, who makes us thrive under Catholic Education. We promise that we serve the school devotedly and become the role model of our fellow schoolmates, in aspects such as maintaining a high standard of personal conduct, punctuality, appearance and attendance, contributing extensively to school service and remaining committed to the pursuit of academic success. Our disciplinary team spares no effort to help students build up self-disciplined, respectful and polite characters.

To encourage our schoolmates to perform better, Disciplinary Team recognises their outstanding behavior by carrying out awards, such as 'Award for Excellent Behavior Scheme', 'Star of the Month' and 'Punctuality Award'. Our team makes every effort to help students build up self-disciplined, respectful and polite characters.

On behalf of the Disciplinary Team, we promise that we will shoulder our responsibilities and do our utmost to serve our school and schoolmates.

Thank you!
