

Hung Ching Man from 5 Matthew

Head Prefect of the Guidance & Counselling Team (2020-2021)

Good afternoon Sister Lucy, Principal, teachers and schoolmates, I am Hung Ching Man from 5 Matthew and I am so honoured to have this opportunity to be the Head Prefect of Guidance and Counselling Team and stand here to deliver my speech to all of you.

First of all, I would like to show my gratitude to the teachers of Guidance and Counselling team who gave me this opportunity. The appointment meant so much to me and it is such a big deal for me to handle. However hard the tasks may be, I will do my best to achieve the goals we have set and work with my teammates closely to serve our schoolmates. Also, I'd like to thank the former Head Prefect Lee Sze Wai and the Vice Head Prefects Chloe Chou, Candy Lam and Sunny Wong for their hard work in this team. They put their heart and soul into the Team all the time and they are good examples for me to follow.

This year, we are going to hold various activities which help to boost a sense of belonging to our school, our big family. Not only do we want students here to obtain good academic results, but also an awesome school life.

Next, I'd like to tell you some highlighted activities we are going to hold this year.

First of all, we want to take good care of our F.1 schoolmates. We know that most of them are not familiar with our school, so the guidance prefects will help them adapt to the new secondary school life and know more about the campus and their schoolmates through the Big Brothers and Big Sisters programme.

Secondly, we know that F.6 students may be stressful because of the coming public examination. In light of this, we will prepare the Cheering and Wishing Board to cheer them up and let them know we are always here for them.

In order to make the schoolmates across all forms feel the warmth of our big family, we are going to organise a surprising event at Christmas. We hope that everyone enjoys the festival.

Being a student leader is not easy, but well begun is half done. It is precious for me to work closely with my partners, Gladys, Annie and Andrea to make this campus full of love and care. I promise I will try my best to lead the team and be a responsible leader. Thank you very much!
