

Tsui Tsz Wai from 4 Matthew

Co-captain of Student Ambassadors (2020-2021)

Good afternoon, Sister Lucy, Principal, teachers and fellow students.

I am the Captain of Student Ambassadors, Tsui Tsz Wai from 4 Matthew. Fabian Chung from 5 Matthew is my partner, who is also the leader of Student Ambassadors. Both of us have volunteered to become the leaders of our team because we believe that Student Ambassadors should be proactive.

We have to fulfill various responsibilities. For example, we are committed to our posts in Cultural Night, Parents' Day and Graduation and Prize-giving Ceremony. It is of utmost importance for us to represent the students, dressing up well, looking neat and tidy. Moreover, the most essential issue is to be polite to everyone.

Besides, we have a strong sense of belonging, love and passion for our school. We enjoy sparing our time to contribute to the school. As leaders of the Student Ambassadors, we are pleased to help our team members to cooperate with people from inside and outside our team.

Last but not least, being Student Ambassadors, not only do we show others how good we IHMC students are, but we also demonstrate how well IHMC raises us up.

Finally, I would like to thank Miss Tsim and Fabian for their teaching, effort, time and help. Thank you!
