

Immaculate Heart of Mary College

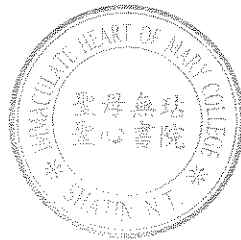

Ref. no. 1920-0124

4th February, 2020

Due to the highly contagious coronavirus disease and suspension of school, the mock examination will be cancelled. As students' learning is our utmost concern, the examination papers will be uploaded to eclass for their practice according to the schedule of the mock examination with one-week delay. For instance, Chemistry and Visual Arts, Paper 1 and 2 will be uploaded on 10th February, at 0830, followed by Chinese Language Paper 1 and 2 on 11th February, at 0830, etc. Answer keys will be further uploaded a week after the corresponding papers.

Students should print the examination papers and do them at home within the examination time limit. If they have difficulty doing so, they may come to the School General Office to take the papers. Students are encouraged to do the papers and submit them to the teachers concerned through online platforms.

We would like to appeal to parents for collaboration to encourage students to strike their fullest capacity for academic achievement. Meanwhile, please constantly remind your child to pay attention to personal hygiene and take preventive measures against communicable disease. We will provide updates when more information about 2020 DSE arrangements are available.

Yours faithfully,
